Legal Staff
New Center One Building
3031 West Grand Boulevard
P.O. Box 33122
Detroit, MI 48232

Dear Mr. Collins:

On March 12, 1998, you provided to NHTSA a proposed project description and a proposed statement of work for Year 4 for Project D.1 Development of High-Speed Chest-Deflection Sensor for the Hybrid III Dummy Families.

NHTSA concurs with the description and the statement of work for this project. Materials relating to the settlement agreement are now being placed in the Department of Transportation Dockets, NHTSA-98-3585. Your submission will be placed in that docket.

Thank you for your cooperation. If you have any questions or need assistance, please feel free to contact Ms. Heidi L. Coleman, Assistant Chief Counsel for General Law, at (202) 366-1834. If members of GM's technical staff have questions of a technical nature, please contact Mr. Lou Brown at (202) 366-5199.

Sincerely,

Philip R. Recht
